Field Trip! (2021-22)

Date: 15.12.2021

Place of Visit: Ahobilam and Yaganti
(Kurnool Dist.)

No. of Students: 35

Learning outcomes:

Students should get awareness about sustainable development and the importance of the nature, how to protect nature from different types of pollution and handover carefully to the next generation.

Field Trip Report

Sub: Field Trip to Ahobilam & Yaganti on 15.12.21.

We are the students of 1st B.A. We went to Field Trip on the behalf of Economics Department on 15.12.21. We started here by 5:45 am. We reached perisomala, Kurnool (dist) at 9:30 am and we had our breakfast there which was provided by Philanthropist. It was very tasty and we enjoyed it. Then, we continued our journey by 10:30 am & reached Ahobilam by 1:00 pm. There, we visited the Lord Narasimha. We enjoyed the environment around Ahobilam, which was covered with hills, greenery and waterfalls. We captured many photos with our team as our best memories. We had our lunch there and it was good meal to us. Later, we started journey by 2:30 pm to Yaganti, which was little far away from Ahobilam. We enjoyed songs and music in the bus. We reached Yaganti by 4:45 pm in the evening. It was the historical place. We were specially attracted by the bull (Nandi), which has the special features. We visited Lord Siva and Lord Venkateswara there and we mesmerized with the beauty of the Nature on that evening. We enjoyed the sunset and shopped little there and we had snack there. We started from Yaganti in return to Anantapur by 6:30 pm. We enjoyed sight seeing in the journey. We came back to the college with a satisfied soul. We turned by 10:00 pm we felt happy for being a part of Field Trip.

Students as a part of Social responsibility wanted to visit 'Crescent Rainbow Home', where 70 girl children are sheltered in the Home. Students have collected funds from the Staff, students and the public. Shri Saddam Jase is running the home for destituted girl children. Students have mobilised the funds and visited the home. This is adopted as a Best practice in the department, as it will leave a thought in the minds of the students and extend a helping hand to the children.

Total amount Rs.15,000/- was collected from the different sources and donated in Crescent Rainbow home.

Sir,
I submit the following lines for your consideration.

On behalf of the Department of Economics, staff members of Economics Department and students have collected amount and we are planning to donate in "Rainbow Home" Home Colony, Ananthapuram. This practice will help to motivate students and improve their behavior towards destitute children. In this connection, we want to accompany the following students of III B.A. all combinations

I request you kindly give the permission and we, 2 staff members are accompanying the students.

1. C. Annapurna, Lecturer in Economics
2. Dr. V. Mary Madhuri, Lecturer in Economics

Thanking you,

Yours faithfully,

Brief Report

Today (18.03.2022) we the Department of Economics had visited "Rainbow Home" where 70 girl children are sheltered in the home. We 2 students from (III B.A) had collected funds from staff, students and others also.

This is a part of Social Responsibility and we felt very happy about it. It will improve the value and ethics and service among the students.
