BIRTH ANNIVERSARY OF T.S ELIOT CELEBRATED: 26-9-2019

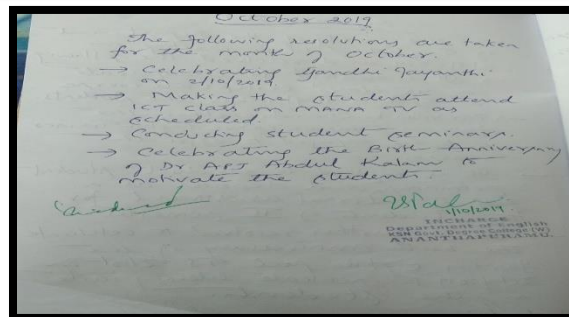

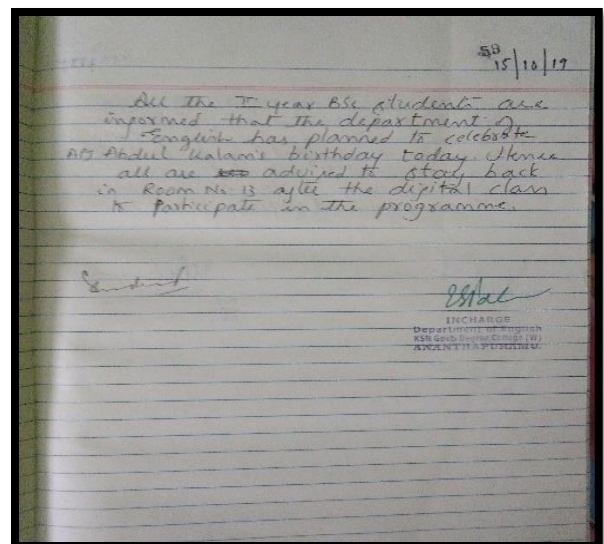

T.S Eliot authored some of the most recognizable poems of the twentieth century. He was a major player in the modernist movement, and his *The Love Song of J Alfred Prufrock* is considered one of the best of the genre. Eliot won the Nobel Prize in literature in 1948 and was praised for his outstanding contribution to modern poetry. In the remembrance of this great critic and poet the Department of English celebrated his birth anniversary and encouraged the students to speak about him. All the speakers were given away prizes as a means of motivating and encouraging them.

The department of English actively participated in the Gandhi Jayanthi Celebrations on the 2nd of October. The students were reminded about the message of the Father of the Nation. Later all the students went out in a procession and chanted slogans about the spirit of Mahatma Gandhi's message to the nation. They also created awareness about the SwathchBharath Campaign.

HAND WASH DAY CONDUCTED BY YOUTH RED CROSS ON 15-10-19

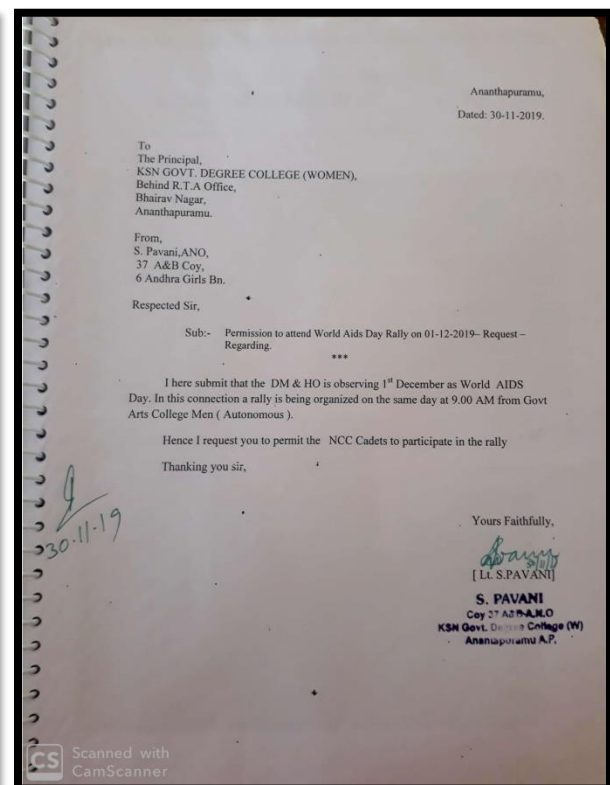

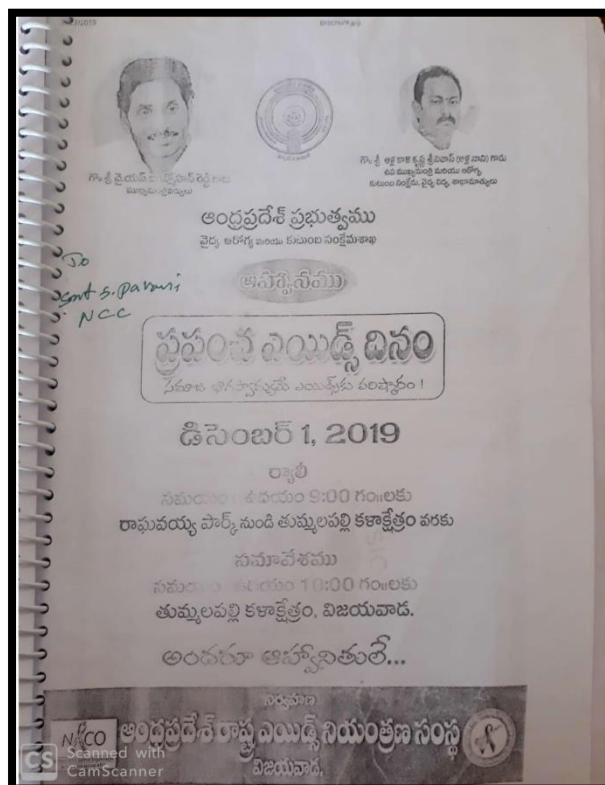

BIRTH ANNIVERSARY OF DR APJ ABDUL KALAM: 15-10-2019

Birth anniversary of Dr APJ Abdul Kalam is celebrated as World Students' Day. His role in teaching and his dedication can't be explained in words. He always identified himself as a teacher. While teaching in Shillong IIM College, he had a cardiac arrest. This showed his dedication towards teaching. Teachers have to realize that they are the builders of society. Good society can be built when students have knowledge and are proficient in their subjects. They also have to have a vision for future and inculcate fundamentals of values which should be practiced in actual life. Students shared memorable quotes of this great personality on this day.
