Divyangjan Friendliness

Policy and Strategy of the College for Divyangjan Friendliness

In K.S.N Government Degree College for Women, utmost care is taken for differently abled students to ensure that their physical disabilities, in no way, stand in the path of academic progression. Depending on the nature of the inconvenience faced, an appropriate corrective measure is initiated to help such a student cope better and enabling her to be at par with her other fellow students. We briefly mention below the various infrastructural supports in connection with Divyangjan students.

Institutional Responsibility and Activity:

- **Students with vision impairment are provided with**

✓ Audio CDs of the material.

- ✓ Computers with screen-reading software that transmits whatever text is displayed on the computer screen into a tactile or auditory form.
- ✓ Reader when required
- ✓ Scribes during their examinations

- **Students with limb-disabilities are provided with**

✓ crutches and wheel-chairs as per requirement

- ✓ The college is equipped with ramps to access the main building and Science Block to help the smooth movement of such students.
- ✓ The College ensures specially designated toilet for such students
- ✓ The College is opted by Government and the Affiliating University to conduct a number of University and competitive examinations. Hundreds of candidates visit the campus to write such examinations. The college offers wheel chairs and crutches to physically challenged candidates if any.

- ✓ For all such candidates the college provides extra time for completing their examination.

In short, College has been sincerely striving to the requirements of differently able students and maintains a suitable infrastructure for making the academic lives of Divyangjan students if any, as smooth as possible.

Brief report on Facilities Provided for Inquiry and Information

The help desk has earmarked a few desktops both in English Language Laboratory and Library for Differently Abled Students and has installed screen reading software in them. The helpdesk has obtained e-learning material from various departments and has uploaded them in desktops earmarked for Differently Abled Students.

All the teaching, non teaching staff and students are encouraged to offer physical, academic and emotional assistance to all the differently abled students or visitors who visit the college.

The institution has Ramps and railings to assist the mobility. There is an earmarked washroom on the ground floor for candidates with physical disability. The institution ensures the provision of Wheel Chair, Crutches and Walker for students and visitors in need. During the examinations, if any visually impaired candidate requires assistance, the Institution arranges for a scribe.

A help desk is made available in the institutional website which has an option for recording grievances. The Internal Quality Assurance Cell and Grievance Redressal Cell look into the grievances if any.
