About Us:

KSN Government Degree College for Women aims at imparting both quality education and also enhancing the market oriented skills of the students and prepares them for the competitive world. It is situated in a vast expanse of 3.99 acres of land beside JNTU. The college has a rich history of 35 years of education through 16 programmes in Humanities, Sciences and Commerce streams. The technology enabled campus and teaching methodologies, well equipped laboratories and library enable to facilitate active academic interaction between students and teachers. The

college has ICT enabled classrooms, IT infrastructure with internet access, a college attached hostel, spacious auditorium and other student support services. The active NSS, NCC YRC and RRC units organize diversified programmes and encourage the students to participate in social service and channelize their untapped energy. Students' participation in various competitions at college, inter collegiate, University, State and National levels helps them in exploring new vistas of knowledge and experience

Student Seminar on Dilute Solutions: 2-3-22

A classroom seminar was conducted by Chemistry Department for first BZC students on 02/03/2022. The seminar covered the topic Dilute Solutions. The seminar was delivered by D. Saisree. She displayed good communication skills, knowledge and confidence. After the completion of the seminar, she clarified the doubts raised by the students. 60 students

attended the seminar and gave their feedback

Student Participation in Academic Competitions: 5-3-2022

The students of department of Political Science participated in an Elocution Competition organized by Nehru Yuva Kendra on the occasion of National Voters' Day. Three students of Final BA, Nagarathna, Shaik Farhana and Chinna Muthyalakka secured prizes and certificates. They were appreciated by the

Principal and faculty members

Students' Participation in Games and Sports at National Level and winning of Medals

In the Inter-University Sports Competitions, KSN students achieved medals and prizes. Ishwarya, Chinni Bai, Vanaja, Sailaja, Rajya Lakshmi, Sudha Rani, Adi Lakshmi and Sridevi were selected for All India Inter University Competitions. The students were complimented by Principal and Staff

Celebration of Women's Day: 8-3-2022 International Women's Day was celebrated on 8th of March in KSN Government Degree College with great fervor. Resource persons from Nehru Yuva Kendra were invited and students were offered an opportunity to listen to their motivational speeches and interact with them. The best speakers among students were awarded prizes by the NGO

Students Practicing for Cultural Activities: 9-3-2022

In view of the NAAC Peer Team visit scheduled on 4th and 5th of April, students were advised to practice for performing cultural activities. All the interested and talented students from across three years were enrolled in various cultural performances such as a display of Martial Arts, Kolatam, Lambadi and Dhimsa which display the unique culture consciousness of various integral communities of Andhra Pradesh.

**Twentieth Convocation of Sri
Krishnadevaraya University: 10-3-2022**

**External Academic Audit: 11th and 12th
March 2022**

It has been a quality initiative of the Internal Quality Assurance Cell to conduct internal Academic Audits of all the departments. Occasionally External Academicians are invited to initiate an audit of the available academic records and assess the quality parameters of the institution so as to help the departments sustain and enhance the quality culture and benchmarks. As a part of this practice, two External Auditors, Dr. A. Diwakar Reddy, Principal, Government Degree College, Jammalamadugu and Dr. G.L.N Prasad, IQAC Coordinator, Government Degree College, Kalyandurgam visited all the

**Degrees to the Eligible Post Graduates and
Doctors of Philosophy**

departments and verified their Academic Records. The teachers were given suggestions for better preparation for the NAAC Peer Team Visit scheduled on 4th and 5th of April. The Exit Meeting was on the evening of 12th wherein the Auditors submitted a detail report on their observations.

Health Awareness Programme: 11-3-2022

Health awareness program was organized by the Department of Botany in collaboration with Zoology and NNS Unit I.

On this occasion Dermatologist, Psychiatrist, Pediatrician and Physician from Indian Medical Association Team participated and explained about Physical and Psychological issues such as hormonal imbalances skin problems, facial problems during menstrual cycle period, psychological issues during that phase and preventive and control measures.

Visit to Science District Science Museum:

12-3-22 With prior permission of Science center staff members, students along with Botany and Zoology staff members visited Science Center. Students enthusiastically examined specimens, models and live experiments etc. Staff members patiently explained each and every model in detailed manner. They gave an idea about live

model preparation to the students.

ATTRACTING AND FEEDING BIRDS IN THE CAMPUS BY HANGING BIRD FEEDERS: INAUGURATION ON 14-3-2022

Department of Commerce, with an intention of taking part in environmental protection prepared tins with the help of students in order to facilitate feeding the birds with grains and water during this hot summer. The tins are convenient to contain grains on four sides of the tin and water in the middle. These tins are hanged to the branches of trees in the premises of K.S.N. Government Degree College (W). We are regularly feeding the birds to satisfy their hunger and thirst. Now the campus has a good number of birds visiting us. The programme was inaugurated by the Principal Dr. P. Sankaraiah and was widely covered by the media.

Student's Interaction with Honourable CM: 15-3-2022 One of the students Sireesha was nominated to interact with the honourable Chief Minister Sri Y.S Jagan Mohan Reddy about the government welfare scheme Vidya Divena for students. She shared the dais with the Distinguished Collector and District Magistrate of Ananthapuramu Ms. Nagalakshmi IAS.

Plantation Activities by the Department of Botany: 15-3-2022

Students and staff of the Department of Botany undertook plantation activities in the campus and planted a number of plants and saplings. The saplings were first segregated in accordance with their species and planted at one Soft Spaces

Experiential Teaching Methodology by Department of Chemistry

Experiential teaching was conducted by the Chemistry Department for first BZC students on 15/03/2022. The experiential learning covered the topic- Green house effect. The diagram was drawn by K. Jyothirmai. The diagram enabled the students to understand the concept of

Green house effect in a better way rather than regular lecture method. It helped the students in comprehending it for long lasting duration with the help of pictorial

memory.

Ward Counseling by Department of Physics

As a part of Mentor Mentee System, ward counseling was given by S. Lakshmi Rangaiah, Lecturer in Physics, to the students of First Year MPC. Their particulars were noted down and required suggestions were given in academic matters
