Awareness Programme on Vigilance: 2-11-23

https://link.public.app/fRdPx?utm_medium=android&utm_source=share

The Department of political science conducted a program on Anti corruption and vigilance, vigilance SP addressed the students on this occasion, 2-11-23. It was highlighted that vigilance and anti corruption play a very significant role in ensuring a transparent and accountable society. Such initiatives ensure transparency and accountability among institutions. These healthy practices can result in a professional culture of ethical behavior. Many such anti corruption and vigilance initiatives have been started during the recent years. New active frameworks and guidelines have been formed to identify, investigate and punish the cases of corruption. This type of awareness sessions boost confidence among citizens and encourage them to report any such cases resulting in a vigilant society.

Awareness Program on Gynaec Problems organized by Women Empowerment Cell on 8-11-23

In order to create awareness gynecological issues faced by women students, crucial for their overall health and well-being an awareness programme was organized by Women Empowerment Cell. The Resource Person Dr. M. Udayani from Savera Hospital enlightened the students about key gynecological issues which they may encounter. Menstrual hygiene which is a vital aspect of women's health was discussed. Students were told about proper menstrual care and myths surrounding menstruation were demystified. Access to sanitary facilities and the availability of menstrual hygiene products on campus was discussed. Hormonal changes, such as those during the menstrual cycle, can influence mental health. Students were told about the connection between hormones and mental well-being. Students were encouraged to prioritize regular gynecological check-ups for early detection and prevention of gynecological issues. The importance of a balanced diet, regular exercise, and maintaining a healthy weight for overall well-being was highlighted. By fostering awareness on these gynecological issues., the WEC intended to contribute to the overall well being of the women students, empowering them to make informed decisions about their health and seek necessary support when needed.

Yoga Classes Organized by the Department of History

Yoga classes have been initiated by the department of History for the interested women students of the college. Yoga offers physical, emotional and spiritual benefits which play a pivotal role in the overall well being of the students including their academic success. The mindfulness and deep breathing exercises provide great stress management. The students gain more clarity and intellectual focus. Various *asanas* practiced by students offer physical strength, flexibility and fitness. Yoga teaches valuable life skills such as patience, discipline, and perseverance. These qualities are transferable to academic pursuits, helping women students navigate challenges with resilience and a positive mindset.

Participation in Competitions to Create Awareness about Cyber Crime

Students participated in competitions organized to create awareness about Cyber Crimes. They were awarded Certificates. The activity was carried on the NSS platform. The programme intended to curb the child exploitation using information and communication technologies.

by Department of Economics: 10/11/23

Dr. H. Sivasankar, Lecturer in Economics of our College, delivered an Extension Lecture on the topic Economic Policies in India for the students of Economics studying in Government Degree College, Uravakonda. The informative lecture was followed by feedback and question and answer session.

Diwali Celebrations in KSN GDC for Hostel Inmates: 12-11-23

**National Adoption Awareness Programme on the eve on Birth Anniversary of
Pandit Jawaharlal Nehru: 14-11-23**

An awareness programme on Adoption was organized in the college in collaboration with Integrated Child Development Services, Government of Andhra Pradesh. National Adoption Day holds significant importance as an annual event dedicated to raising awareness about the adoption of children in foster care and celebrating families who have chosen to adopt. National

Adoption Day serves as a platform to promote the adoption of children from foster care. By raising awareness about the needs of children awaiting permanent homes, the day encourages prospective adoptive parents to consider adoption as a positive and impactful choice. The day is a celebration of the families that have grown through adoption. The stories and experiences shared on National Adoption Day often inspire others to consider adoption or become involved in supporting adoptive families. The day serves as a reminder that every child deserves a safe and nurturing home. National Adoption Day, thus, plays a crucial role in promoting adoption awareness, celebrating adoptive families, and advocating for the well-being of children in foster care. It serves as a poignant reminder of the positive impact that adoption can have on the lives of children and families.

Exit Meeting

On the 24th of November 2023, a distinguished team comprising Dr. GLN Prasad, Dr. T. Jeevan and Dr. T. Jitendra conducted an academic audit at KSN Government Degree College (A) (W). The College, with its sprawling campus under constant CC camera surveillance, presented an environment conducive to learning and safety. One notable aspect of the college is the attention given to the security and well-being of its female students. The presence of CC cameras and the general ambience has contributed to a sense of security among the women studying at the institution. The establishment of a spiritual corner, adorned with a Saraswathi statue, adds a unique dimension to the college atmosphere, creating a serene environment that fosters both learning and reflection.

The Principal's chamber, with its corporate aesthetic and luxurious ante-room, reflects a commitment to professionalism. Dr. P. Sankaraiah, the Principal, was recognized for his exceptional leadership skills in extracting productivity from the staff and providing valuable guidance to the intellectual community. Smt. Parveen, the IQAC Coordinator, was commended for her extraordinary organizational and documentation skills. The efforts of departments to adopt student-centric teaching and evaluation methods, such as seminars, quizzes and role plays were acknowledged.

The Departments of Zoology and Botany were specifically recognized for their innovative approaches in reaching out to students, showcasing a commitment to diverse and engaging teaching methods. Similarly, the departments of Commerce, Linguistics and Arts displayed enthusiasm in shaping the future of their students.

The support services of the college were described as exemplary, offering expertise in various areas. The NCC wing stood out for its involvement in social activities such as plantation drives and blood donation, showcasing a commitment to community service. The college's

commitment to student development was evident in its internship programs; ensuring students are well-accommodated in real world experiences. Meticulously organized PG coaching and student induction programmes further demonstrated the institution's dedication to academic excellence.

The college was hailed for its commitment to excellence, with highly qualified lecturers, disciplined students actively participating in academic and extra-curricular activities, a well-established gymnasium and dynamic support services.

In conclusion, KSN Government Degree College (A) (W) emerge as a role model for other institutions in the state. Its commitment to providing secure, enriching and academically stimulating environment, coupled with its focus on holistic student development, positions it as a standout institution in the realm of higher education.

The NSS Programme Officer, Sri Ramakrishna, orchestrated a mesmerizing display of traditional cultural events Karrasamu and Kolatam leaving the academic advisors spell bound. The event held under the auspices of the National Service Scheme (NSS), showcased the rich heritage and artistic prowess embedded in these traditional dance forms. The precision and coordination displayed in the Kolatam and Karrasamu reflected the dedication and meticulous practice by the students. The rhythmic beats and synchronized movements captivated the academic advisors, creating an immersive cultural experience. The Kolatam and Karrasamu organized by NSS wing proved to be a remarkable showcase of cultural heritage, leaving the academic advisors in awe of the artistic talent and dedication displayed. This event not only served as a celebration of tradition but also a testament to the importance of cultural diversity in the academic setting. This KSN Degree College (A) (W) stands out as an institution of excellence in all spheres.
